

Department of Personnel and Training
NIC Computer Centre

Dated: 30.04.2014

Subject: NIC eMail id as Login Credentials for INTRAIAS portal

The website/web portal <http://intraias.nic.in> is developed for IAS officers to provide information on Circulars, Acts & Rules and various online services viz.

- Maintenance of Bio-Data
- ACR Availability Status
- IPR Availability Status
- Applying online for Central Staffing Scheme
- Apply online for Domestic Funding of Foreign Training
- Apply online for Mid Career Training

This portal is being accessed by IAS officers by using the Login credentials provided individually to all IAS officers.

It may be informed that the SPARROW, the online filing of PAR of IAS officers, has been implemented since April, 2014 in the Department and the IAS officers are logging into system using their NIC e-mail id which have been provided to all IAS officers under this project.

It is suggested that the same NIC eMail id provided for logging into the SPARROW can also be used for INTRAIAS portal by all IAS officers.

Submitted for kind advice and further approval.

I have no objection but there should be no disruption. The officers must be given advance notice. As a matter of fact,

The earlier ID/Password and the new one should concurrently run for some time.
