

Dear Member of Service,

This is to inform you that the Government have decided to introduce e-filing of PAR from the assessment year 2013-2014 after taking all State Governments on board. Accordingly, a software is being developed by NIC to roll out the new system with effect from 1st April, 2014. However, as a pre-requisite to e-filing of PAR, each officer/authority involved in the work flow would have to have a Digital Signature Certificate(DSC) well before 1st April, 2014. The DSC form (copy enclosed) could be downloaded from the website <http://nicca.nic.in>. The request form along with the passport size photograph duly signed by the applicant would have to be verified by the GAD Department of the respective State Government/JS(Admn.) of the Department at the Centre. For issue of DSC, there is a fee of Rs. 555/-. However, Member of Service (MOS) is not required to pay this amount as this would be taken care of by the Government. In case you find any difficulty in filling up the form, you can contact the NIC who would assist you in this regard.

2. The DSC Request Form *contains* details about the subscriber viz. (a) Name, (b) State, (c) Postal Code of the location of the subscriber, (d) Organization unit's name, (e) Organization's name, (f) Country's name, and (g) email ID of the subscriber. These fields constitute "Distinguished Name" of the subscriber which are unique on the internet. In case, there is change in any one of the above mentioned fields after getting DSC, then the DSC would have to be revoked and subscriber would be required to apply afresh. In order to ensure that the DSC once issued to the IAS officer remains with him/her till he/she is in service, the following generic values against these fields are to be filled in the form:-

- (i) S.No. 8 of the request form relates to email ID. Against this, the officer has to indicate email ID provided by NIC to him.
- (ii) S.No. 10 of the request form relates to identification details. Against this, the officer has to indicate his employee ID as given in the GoI Civil List and his PAN Number.
- (iii) S.No. 11 of the request form relates to certificate subject details. Against this, the officer has to indicate the following:-

Organisation : All India Service
Organisation Unit : IAS
State : Name of the allotted State
City : New Delhi-110001.

For the convenience of MoS, a sample form with filled up columns, wherever generic is attached.

3. The main features of proposed software would be as follows:-

- (a) After receipt of the PAR form, the officer reported upon would fill up the self-appraisal and other columns and send it online to reporting authority after digital signature.

- (b) The software would also have an in-built system of generating auto-alerts which would go to the concerned officer with whom the PARs are pending for more than twenty days or so. The Reporting Officer as well as the Reviewing Officer would have to fill up each column and give their comments in not less than 80 words on the overall qualities of the officer. If the pen picture is less than 80 words and any other column is left blank, the system won't accept it and officer would not be able to complete his part and send it to the next appropriate authority. Only the integrity column can be left blank as per the provisions of the PAR Rules which can be filled up subsequently, after requisite follow up. It may be noted that each officer would have to digitally sign the report before forwarding it to appropriate authority. The system would not allow any remarks etc. to be added after the deadline.
- (c) In case of representation, the Secretary(GAD)/JS(Admn.) would submit it online to the Accepting Authority through Reporting and Reviewing authorities.
- (d) In case the officer reported upon chooses to represent against the final assessment, he may represent online to Referral Board through Secretary(GAD)/JS(Admn.).
- (e) Decision of the Referral Board shall be communicated online to the officer concerned by the Secretary(GAD) of the State/JS(Admn.) of the Central Government Department.
- (f) The system would have the facility of uploading summary of medical report, certificates of training/academic courses, appreciation letters, etc.

4. Though the concerned Department would be approaching you on this issue, you may download the form, fill it up and send it to the concerned Department along with your photograph etc. to expedite the issue of DSC. Your proactive participation is solicited to make e-filing of PAR successful.

With regards,

Yours sincerely,

EO & AS

Instructions for DSC Applicants

1. NIC-CA abides by the Information Technology Act, 2000, laid down by the Govt. of India. The applicant is advised to read this IT Act 2000 under Resources (<https://nicca.nic.in>).
2. To use DSC for exchanging Digitally signed Email, S/MIME compatible Mail clients should be used (Outlook Express, etc.). Also, please ensure that your email-id is issued from a POP compatible Mail server. For security reasons, NICCA prefers usage of Official E-mail ID.
3. Subscriber is required to send one copy of DSC request form, duly signed and forwarded by Head of Office. Applicant is advised to retain a copy of the same, for filling up the form online while generating key-pair.
4. The forwarded DSC application form is processed at NIC-CA for issue of DSC. If all particulars are in order, a User-Id, password and the profile for the applicant is created using the details submitted. This user-id will only be valid for 90 days (i.e., applicant has to generate key pair request and download certificate within 90 days) failing which, user is required to submit fresh DSC application for DSC issuance.
5. It is very important to keep the private key securely.
6. If the private key is compromised, applicant should immediately inform NIC-CA office by phone 011-24366176 or e-mail at support@camail.nic.in and Login with his user-Id and password at NIC-CA website. The User has to send Request for Revocation/Suspension/Activation form (CA2-50027.pdf)
7. For viewing all valid DSCs and CRLs, the user can access the website (<https://nicca.nic.in/>) under Repository.
8. DSCs are normally issued on FIPS-140 Level-2 compliant smart card/USB crypto-tokens, **which allows only maximum ten numbers of incorrect attempts for entering pass phrase/ pin.** It is advisable to be careful while entering the passphrase as repeated incorrect entries may block the same. On exceeding this limit, special efforts may be required to unblock the device.
9. It is important to note that email-id given by the applicant is functional and applicant accesses the same on regular basis as all communications w.r.t DSC like generation, revocation, renewal, expiry details are communicated through the given email-id.
10. For any further clarification, user can write to support@camail.nic.in or visit the NIC-CA website (<https://nicca.nic.in>).
11. **Types of Classes: Depending upon requirement of assurance level and usage of DSC as described below, the applicant may select one of the classes.**

Class-1 Certificate:

Assurance Level: Provides minimum level of assurance. Subscriber's identity is proved only with help of Distinguished Name –DN and hence provides limited assurance of the identity.

Suggested Usage: Signing certificate primarily be used for signing personal emails and encryption certificate is to be used for encrypting digital emails and SSL certificate is used to establish secure communications through the use of secure socket layer (SSL).

Category Issued to the Individual from Govt., PSU/Statutory Bodies, Government Registered Companies and Web Servers/Servers within NIC domain

Class-2 Certificate:

Assurance Level: Provides higher level of assurance confirming the details submitted in the DSC Request Form, including photograph and documentary proof in respect of at least one of the identification details.

Suggested Usage: In addition to the 'suggested usage' mentioned in class I, the class II Signing certificate may also be used for digital signing, code signing, authentication for VPN Client, web form signing, user authentication, Smart Card Logon, single sign-on and signing involved in e-procurement/ e-governance applications.

Category Issued to the Individual from Govt., PSU/Statutory Bodies, Government Registered Companies and Web Servers/Servers in open domain.

Class-3 Certificate:

Assurance Level: Provides highest level of assurances, as verification process is very stringent. Proves existence of name of organizations such as Government Departments/Agencies, PSU/ Govt. Registered Companies and assures applicant's identity authorized to act on behalf of the Government/PSU/Statutory/Autonomous bodies/ Government registered Companies.

Suggested Usage: In addition to the 'suggested usage' mentioned in class-1 & class-2, class-3 signing certificate may also be used for digital signing for discharging his/her duties as per official designation. Class-3 encryption certificate may also be used for encryption requirement as per his/her official capacity.

Category Issued to individuals from Government entities/Head of the Institutions, Statutory/Autonomous bodies, Government registered Companies

12. At serial number 8 of Request Form for DSC relating to 'e-mail of the subscriber', the officer has to indicate the e-mail id provided by the NIC.

13. At Sl. No. 10 relating to 'Identification Details' of the Request Form for DSC, the officer can give either his employee ID as given in the GOI Civil list or his PAN number.

14. At Sl. No. 11 relating to 'Certificate Subject Details' of the Request Form for DSC, the officer has to indicate the following:

Organisation	:	All India Service
